Regional representative vacancy – Whanganui

Sarah Brown has decided to step down as the FLS Whanganui regional representative as she is soon going on maternity leave. We would like to hear from any Whanganui members who would like to step into the role. Please email family@lawsociety.org.nz and tell us a bit about yourself, your practice and why you would be interested in the role. It would be great to receive any expressions of interest by 15 July so that an appointment can be confirmed at the next FLS executive meeting on 26 July.
