### Vacancy - Barrister & Solicitor - Albany

**New Year, new job?**

**Passionate about helping others?**

**Schumacher Law** is a boutique Family Law firm based in Albany, Auckland. Founded at the end of 2014, Schumacher Law is quickly becoming a landmark on the North Shore's family law landscape.

**When it comes to our clients**, we strive to provide the most practical, quick and cost efficient outcome. We are big on generating options and working through each potential outcome with our clients. We use plain language. Whether it is inside or outside the Court, we always try to provide positive contributions towards amicable resolutions.

**When it comes to our team**, we provide a supportive culture where mentoring is readily available and your personal career is nurtured and developed. We celebrate success. We are mindful of practising well and achieving a good work life balance. We work as a team within our firm, and collaboratively with our local bar.

**What we can offer you**, is a modern office located next to the Albany Court (think 100 meters away). Your own carpark (which is as rare as hen's teeth in Auckland). A Westfield Mall down the hill and the local North Shore beaches, like Waiake, Browns Bay and Long Bay, just a few minutes' drive away.

You will also receive a competitive salary, your own carpark, personal mentoring and career support. You will be part of a firm who holds a positive culture with excellent values and has a well-respected reputation. 2020 could be the start of something wonderful.

**What we need from you is:**

- an ability to empathise with people from all cultures and walks of life;
- a genuine drive to help others;
- excellent communication skills with an eye for detail;
- experience in all aspects of family law;
- preferably lead provider status with legal aid; and
- preferably approved as lawyer for child.
