## FAMILY LAW SECTION NEW ZEALAND LAW SOCIETY

Family Law Section Bulletin - Issue 381, 16 January 2020

### **Accelerate your family law experience**

Focus Law is looking for family law practitioners of all levels for an immediate start.

Focus Law's Principal Eva Ho gained her qualifications at the University of London and migrated to Auckland 23 years ago. Since founding Focus Law 14 years ago, Eva has built a successful practice that specialises in litigation (civil and family), property, commercial, employment, trusts and migration.

Eva and her team have mentored many young lawyers. You will be supported as you rapidly gain experience as part of a small, adaptable and collegial team.

The ability to speak, read and write Chinese (Mandarin and/or Cantonese) would be advantageous but is not essential, as Focus Law's clients are from wide-ranging cultural backgrounds.

Your remuneration package will be commensurate with your PQE and is negotiable.

Please forward your CV with any references, academic transcripts and admission (if not a new grad) by email to: [info@focuslaw.co.nz](mailto:info@focuslaw.co.nz). Applicants must be able to demonstrate his/her legal right to work in New Zealand.
