Wyndham Chambers Vacancy

An opportunity exists for a barrister to join Wyndham Chambers following the appointment of one of our members to the bench.

Wyndham Chambers is a well-respected and long-established specialist family law chambers conveniently situated opposite the Auckland District Court and offers a collegial, supportive environment.

This opportunity may suit a barrister looking for a change or seeking to relocate closer to the Auckland District Court or, alternatively, a lawyer who is considering commencing practice at the independent bar as a family law specialist.

The overheads are very reasonable for a central city location. You would have the ability to bring your own secretary/PA if needed.
