

The Auckland Central FLS regional representatives recently met with Judge de Jong regarding concerns around the processing of without notice interlocutory applications.

His Honour advised that the registry have a target of processing these applications within 7 days. Judge de Jong is keen to hear feedback from the profession about the 7-day target so that this can be passed to the registry.

Your feedback is important so we would ask as many Auckland family lawyers to complete this as possible. In order to collect your feedback, we have put together a very brief survey for members to complete **by Friday 14 August**.
