- has a keen interest in family law, with experience in COCA applications, family violence matters, and relationship property;
- has lead provider status (or eligible to apply) for legal aid services;
- has solid computer literacy skills;
- keeps good time management and organisational skills;
- a team player who works well in a team-based environment; and
- has experience in the Family Court (not essential).

We offer:

- emphasis on work life balance;
- a fun and friendly team;
- opportunities to branch into other areas as you desire;
- free parking; and
- up to date computer systems.
