

Yesterday, Principal Family Court Judge Jackie Moran issued a covid-19 [protocol](#) for the adoption of New Zealand surrogate babies born overseas. If you are involved in this work, please ensure you familiarise yourself with the protocol as soon as you are able. Our special thanks to Margaret Casey QC who raised this issue with Judge Moran and her subsequent work on assisting with the content of the protocol. Our thanks also to Judge Moran for issuing a protocol so quickly.

Kath Moran
FLS Manager
