

We are saddened to advise that long time FLS member Rachel Jobson died in Wellington on 29 August after an illness.

A service was held to celebrate Rachel's life in Lower Hutt on Thursday 3 September.

Rachel was admitted to the bar in the Napier High Court and started her legal career in 1995 at Willis Toomey Robinson. Since 2007 Rachel has worked for Oranga Tamariki and its predecessor, assisting the social workers of the Hutt Valley. She was greatly admired by the social workers she assisted, other lawyers and the judges she appeared before.

Rachel's husband Andrew and children Henry and Florence appreciate the messages they have received.

If you would like to send a message to Rachel's family, please feel free to email the family at [oakleyjobson@gmail.com](mailto:oakleyjobson@gmail.com) or by post to PO Box 30-814, Lower Hutt 5040.

Our thoughts are with Rachel's friends and colleagues as well as her family.
