Teleconferencing – Pukekohe Family Court

Below is a message from Judge Goodwin who has asked this is circulated to FLS members:

Given that the teleconferencing facilities at Pukekohe Family Court are not fit for purpose, any request by counsel or parties to attend by telephone (whether for a conference or otherwise) will require the approval of the presiding judge. Counsel and parties will appreciate that matters of complexity or in which there is lack of clarity about issues and the nature of intervention sought will be less suited to telephone attendance.
