Relationship Property Survey 2017**

The Family Law Section, in conjunction with accounting firm Grant Thornton NZ, invites you to participate in the **New Zealand Relationship Property Survey 2017**.

This is your opportunity to share your views on relationship property issues that are important. We value your opinion and would like to hear your thoughts on the key practice, legal and financial issues which relationship property lawyers and their clients face.

This is our "survey". The more of us that participate the more compelling the results will be. The survey takes about 15 minutes to complete.

The survey will **close at 5.00pm on Monday 19 June**.

Your answers are completely confidential.
