Family Law Section Bulletin - Issue 175, 31 October 2017

Dr Amanda Dixon-McIver from DNA Diagnostics will be presenting a free lunch time seminar on the topic of "Parentage Testing".

When: Wednesday 29 November 2017 from 1:00pm to 2:00pm

Where: Auckland Branch, NZLS - Level 12, WHK Tower, 51 Shortland Street

1 CPD hour

The seminar will cover the following:

- Brief introduction/history of DNA Diagnostics
- Onshore testing versus off-shore (ISO 15189 versus ISO 17025)
- What testing is available and the cost - Parentage studies, Twin Testing etc
- Sample types
- Who should give a sample and why?
- Documentation - test request, consent and identification
- Chain of custody
- Interpretation of test results
- Case examples
